

Dear Station Manager,

I am offended that (WCPO, Cincinnati) might air the first daytime television lesbian kiss. This station's promotion of homosexuality presents a dangerous and unhealthy lifestyle to our community.

As a viewer, I am requesting that you place this letter in your public file, as mandated by Federal Law (47 U.S.C. 73.3526(e)(9))

Sincerely,

Dianna Kneipp
6827 St. Rt. 505
Felicity, OH 45120

I appreciate you taking extra time to make our united voices heard on this vital issue.
